

Hello, my name is Jennifer Kaiser. I am the Teacher for the Aprende Academy Virtual Online Learning Program. This is my 5th year with Aprende Academy.

My 1st 3 years found me settled in the classroom at Pinecrest Inspirada, as Director/ Lead Teacher. I am excited to lead the Virtual Classroom for your child, partnering with families and sharing together each day as your child discovers, learns, creates— building a life-long love of learning.

Along with learning Lively Letters and numbers—science and art are a big part of each week. Consistency grows confidence, and the unique extension activities offered will keep curious minds intrigued. I have as much fun as the children and we will end each day with a smile.

The evenings and weekends find me playing tennis, bicycling, enjoying the city, traveling and spending time with our 2 sons and their families.

This is a special year- learning to be a student..and I thank you for entrusting me with your child's Learning Path as we work together towards success.

Get ready....it's going to be fantastic!
